

## PZ.027 Stork swing seat

The seat for public playground swings.

Stork nest is manufactured in a modern technology of LLDPE rotomolding, which makes it resistant to adverse weather conditions and UV rays. Its large size and light weight ensure fun and safety for the user. Safety is provided by rubber bump stops made of EPDM on the perimeter.

Colours available: yellow, blue, red, green.

#### **Technical specification:**

- diameter: 1,117 mm
- height: 316 mm
- safety standard: EN-1176-2

#### **Materials:**

- mass colour-coated LLDPE,
- side bump stops made of EPDM mass colour-coated rubber,
- connecting components, i.e. screws etc, made of stainless steel,
- chains made of stainless steel.
