

### **Playground set PZ.2120**

A play set imitating a trolley. The load-bearing elements of the set, platforms and railings are made of powder-coated galvanized steel. The panels are made of HDPE. Poles finished with plastic caps.

The finishing elements of the set may differ from those shown in the visualization.

**Technical data:**

- length: 150 cm,
- width: 113 cm,
- height: 190 cm,
- fall zone: 450 x 413 cm,
- safety standards: PN-EN 1176-1;

**Materials:**

- metal elements made of steel triple protected against corrosion by hot-dip galvanizing, chromating and powder coating with polyester coating ensuring high resistance to weather conditions and discoloration in UV rays,
- panels, roofs made of HDPE,
- galvanized steel platforms, powder-coated with polyester paints, covered with a waterproof anti-slip board.
